Option #3: PERMANENT REPLICA OF THE AVTT TRAVELING VIETNAM WALL:

We are also very proud to announce our newest mission of placing permanent replicas of the Traveling Wall in communities across the US and I've attached that packet as well for your reference as well as an overview of the various size options.

AVTT was founded on the principles that American Heroes must be honored and remembered and have been traveling the country with a replica of the Vietnam Wall for over 7 years now. For years the options for seeing the Vietnam Memorial Wall have been very limited. These limited options prohibit many veterans, friends/family of the fallen and patriots from viewing the Wall and experiencing the healing and education that the Wall offers.

The permanent replica Walls will provide those without the means or ability to travel to our great national memorial sites, the opportunity to respect and share in the experience of honoring our heroes.

If interested in this, I'm happy to discuss this opportunity further with you. There are numerous sizes, indoor and outdoor options and also the option of a "lease to purchase" arrangement. Details on leasing to purchase can be provided upon request. So there are a variety of options that might fit your needs, just let me know your thoughts and I can send over additional details as needed.

Thank you for your interest in hosting the Traveling Vietnam Wall!
